I really enjoyed your class because you spent the time to make sure the powerpoints were well made.

Also the references to Star Wars and such help keep class entertaining.

I was very glad when I saw that you were teaching this class. I learned alot. Thank you.

The only suggestion I have is to look at how you incorporate the book. If it weren't for the HW I would have never opened it besides the first couple readings. The book did not enhance my learning.

Awesome Class. Might be a bit challenging, but it was well worth the time I put into it. The only possible complaint I could have is that the current Powerpoints weren't updated enough (i.e. I could have used them for homework). All-in-all, though, I enjoyed the course. You are a fantastic lecturer and I hope to have you again sometime.

I enjoyed and was very challenged by this course - overcoming challenges was rewarding. I felt the exams were not accurate measures of what I knew - they encouraged "quantity over quality." I dramatically improved my performance by scribbling the first answer that came to mind. Overall, thank you for a good experience!

Good class overall.

Although I wish there were more office hours instead of the ones on Thursdays.

And sometimes the afterclass office hours with Alex weren't always the best because there would be a long line.
